

CT850 Treadmill

Designed to withstand the rigors of a commercial fitness environment, the **CT850** features a heavy-duty steel frame, a durable powder coat finish and large steel console masts for ultimate stability and durability. The cool running, brushless 4.0 Horse Power AC Drive motor adds to the reliability of the CT850 treadmill while providing the torque and smooth continuous power required by the unique needs of its users. Tablet friendly reading rack holder, convenient water bottle holder, and cargo compartment for keys, phone, or MP3 player.

Console

A large blue LED matrix with 4 separate LED info windows, 20-character LED message center, and LED heart rate bar. C-safe compatible.

Heart Rate Monitoring

Wireless chest strap heart rate transmitter (not included) and heart rate pulse grips help keep your workouts safe and effective.

Blue Backlit Display

Intuitive, featured-focused display provides a superior experience.

Direct Access Speed & Incline Buttons

The ability to quickly program a specific speed & incline with just a few key strikes.

Optional Extended Handrails

Large aluminum side rails for stable support, easy cleaning and an elegant design.
